1. PERFORMANCE WORK STATEMENT

For each year of the contract, the U.S. Government guarantees a minimum order of \$3,000 USD. The maximum amount of fuel services under this contract will not exceed to \$200,000 USD.

Individual purchases shall be documented as follows:

The Embassy obligates the funds via Delivery/Task order

Optional Form (OF) 347 or 348 will be placed against each Delivery/Task order

2. PERIOD OF PERFORMANCE

After contract award and submission of acceptable insurance certificates, the Contracting Officer shall issue a Notice to Proceed. The Notice to Proceed will establish a date (a minimum of ten (10) days from date of contract award unless the Contractor agrees to an earlier date) on which performance shall start.

3. PRICING

The rates below shall include all direct and indirect costs, insurance (see FAR 52.228-4 and 52.228-5), overhead, and profit. The prices include all expenses and materials required to complete the work.

3. A. VALUE ADDED TAX

Value Added Tax (VAT) is not included in the CLIN rates. Instead, it will be priced as a separate Line Item in the contract and on Invoices. Local law dictates the portion of the contract price that is subject to VAT; this percentage is multiplied only against that portion. It is reflected for each performance period.

4. BASE PERIOD PRICES

Performance term: Through December 31, 2015

	<u>Unit of Measure</u>	<u>Rate per Unit</u>	<u>Estimated Quantity*</u>	<u>Total Est. Amount</u>

92 Octane fuel	Liters		25.000L	
95 Octane fuel	Liters		2.000L	
98 Octane fuel	Liters		2.000L	
Diesel fuel (winter formula)	Liters		15.000L	
TOTAL				45.000 Liters

*This estimated amount is based on total estimated Government requirements. This means that if more than one award is made, the estimated amount of work awarded under task order(s) to any single contractor will be less than the amount shown.

Payments for fuel cards will not be considered under this contract.

The Government will not consider any claim for any additional compensation unless it has been authorized by the Government in writing in advance. The Government shall not be responsible for any work performed that is not specifically provided for under this contract or authorized by the Government in writing in advance.

Price Adjustment:

- (a) The unit price per liter may be adjusted based on increases or decreases in the official price of automotive fuel, mandated by the government of Mongolia.
- (b) To request an adjustment in price, the Contractor must provide written notification of the price change to the Contracting Officer at least one week before the new price is to be effective. This notification must be accompanied by a copy of the official announcement of the price change, showing the new price and its effective date. The officer or general partner of the Contractor having overall responsibility for the Contractor's affairs shall certify the submission by written signature.
- (c) The U.S. Government will make no adjustment to the contract price that relates to any wages, overhead, fixed costs, general and administrative expenses, materials, or profit. Only the amount which is a direct result of an increase or decrease in the price of oil to be delivered under this contract shall be considered by the U.S. Government as the basis for contract price adjustments.
- (d) The Contractor may not request an adjustment under this clause after final payment has been made under this contract.

5. ORDERS

All requests for shipments or performance of individual jobs under this contract shall be issued via an order placed by the Contracting Officer. This task order will contain the following information:

- (a) Name of Contractor,
- (b) Contract number
- (c) Date of purchase
- (d) Purchase number
- (e) Name of person placing order
- (f) Itemized list of shipment and services furnished
- (g) Quantity, unit price, and total price of each item or service, less applicable discounts

Orders may be placed orally initially, but must be followed up in writing within 48 hours via issuance of a task order. Only a Contracting Officer may place an order, either orally or in writing.

(1) As the need for services arises, the Government will develop a price estimate. If the estimate does not exceed US \$3,000, the Government will follow the procedures in paragraph (2) below. If the estimate exceeds US \$3,000, the Government will follow the procedures in paragraph (3) below.

(2) Orders not exceeding US \$3,000 – This exceeds the minimum order quantity for this contract, and therefore an order will not be placed against this contract.

(3) Orders exceeding US \$3,000 - Unless one of the exceptions in paragraph (5), below, applies, the Government will make its award selection based upon the prices set forth in the contract and past performance information gained as a result of contractor performance under this contract.

(4) Regardless of whether the procedures in paragraph (2) or (3) above were followed, selection of contractors shall not be protestable to GAO under Subpart 33.1 of the Federal Acquisition Regulation, except on the grounds that the order increases the scope, period, or maximum value of the contract. However, the Department of State does have an Acquisition Ombudsman who will review complaints by contractors to ensure that all contractors are afforded a fair opportunity to be considered for these task orders, pursuant to the procedures for award of task orders established herein.

(5) Exceptions to the procedures in paragraph (3) above:

(a) The agency need for the required services is of such urgency that providing such competitive opportunity would result in unacceptable delays;

(b) The order should be issued on a sole-source basis in the interest of economy and efficiency as a logical follow-on to an order already issued under the contract, provided that all awardees were given a fair opportunity to be considered for the original order.

(1) Refusing, or requiring any U.S. person to refuse to do business with or in Israel, with any Israeli business concern, or with any national or resident of Israel, or with any other person, pursuant to an agreement of, or a request from or on behalf of a boycotting country;

(3) Furnishing information with respect to the race, religion, or national origin of any U.S. person or of any owner, officer, director, or employee of such U.S. person; (4) Furnishing information about whether any person has, has had, or proposes to have any business relationship (including a relationship by way of sale, purchase, legal or commercial representation, shipping or other transport, insurance, investment, or supply) with or in the State of Israel, with any business concern organized under the laws of the State of Israel, with any Israeli national or resident, or with any person which is known or believed to be restricted from having any business relationship with or in Israel;

(5) Furnishing information about whether any person is a member of, has made contributions to, or is otherwise associated with or involved in the activities of any charitable or fraternal organization which supports the State of Israel; and,

(6) Paying, honoring, confirming, or otherwise implementing a letter of credit which contains any condition or requirement against doing business with the State of Israel.

(2) Complying or agreeing to comply with import and shipping document requirements with respect to the country of origin, the name of the carrier and route of shipment, the name of the supplier of the shipment or the name of the provider of other services, except that no information knowingly furnished or conveyed in response to such requirements may be stated in negative, blacklisting, or similar exclusionary terms, other than with respect to carriers or route of shipments as may be permitted by such regulations in order to comply with precautionary requirements protecting against war risks and confiscation;

(3) Complying or agreeing to comply in the normal course of business with the unilateral and specific selection by a boycotting country, or national or resident thereof, of carriers, insurance, suppliers of services to be performed within the boycotting country or specific goods which, in the normal course of business, are identifiable by source when imported into the boycotting country;

(6) Compliance by a U.S. person resident in a foreign country or agreement by such person to comply with the laws of that country with respect to his or her activities exclusively therein, and such regulations may contain exceptions for such resident complying with the laws or regulations of that foreign country governing imports into such country of trademarked, trade named, or similarly specifically identifiable products, or components of products for his or her own use, including the performance of contractual services within that country, as may be defined by such regulations.
